

# TECHNOLOGY CAN BE A GAME-CHANGER. SO... WHAT DO YOU WANT IT TO CHANGE?

## 1. What should a graduate of our district know and be able to do?

Content	Tech Skills	Soft Skills	Research/People We Should Consult
---------	-------------	-------------	-----------------------------------

## 2. How will we know if they've done it?

Content	Tech Skills	Soft Skills	Research/People We Should Consult
---------	-------------	-------------	-----------------------------------

## 3. What learning activities are needed to get students there?

Content	Tech Skills	Soft Skills	Research/People We Should Consult
---------	-------------	-------------	-----------------------------------

## 4. What technology tools/equipment will facilitate that?
